Sir,

Re sanction to incur additional expenditure in connection with the maintenance of Water Works in Madhugiri Town Municipality

---

In forwarding herewith in original the connected records received from the President, Town Municipal Council, Madhugiri, on the above subject, I have the honor to state as follows -

The President states that a sum of Rs 250/- under tools and plant and Rs 450/- towards the maintenance of the water works was sanctioned by Government as against Rs 350/- and Rs 750/- respectively (proposed by the Municipality) while approving the Budget Estimates of the Town Municipality for the current year As crude oil is not available, kerosine oil is being used and consequently the expenditure has also gone up In order to maintain the water works for the remaining part of the year, he states that a sum of Rs 400/- is absolutely necessary Further it is stated that a sum of Rs 403=5-0 is due to Mr M Ramaiya, Engineer, Bangalore, for having supplied tools and plant to the Water Works during the year 1941-42 which is stated to be pending for want of sanction

In the circumstances stated, I request that sanction of Government may be kindly obtained to incur the above expenditure out of the closing balance of the Municipality

I have the honor to be,
sir,
